## **Morada Little League Local League Rules**

The purpose of Little League baseball is to give young people an opportunity to learn the game of baseball. It is equally important that Little League provide an opportunity for the participants to learn good sportsmanship. At Morada Little League good sportsmanship means that players show respect to their opponents, their teammates, the umpires, league representatives and fans. It means that **all participants** learn both to win **AND** lose with grace and dignity. The players mimic their coach/parent and his/her behavior regarding umpires, opponents, teammates and attitudes about winning and losing. **Morada Little League expects its managers and coaches to be outstanding role models and examples of good sportsmanship at all times.** It expects no less from parents and other spectators.

Little League Regulation XIV entitled “Field Decorum” sets out the potential penalty when a Little League participant violates rules of conduct and good sportsmanship: “Any player, manager, coach, umpire, or league representative who is involved in a verbal or physical altercation, or incident of unsportsmanlike conduct, at the game site or any other Little League activity, is subject to disciplinary action by the (Morada Little League) board of directors.” Managers and coaches are advised that unsportsmanlike conduct will not be tolerated from anyone participating in or attending Morada Little League games or other activities. In particular, **Morada Little League will not tolerate any verbal or physical abuse of umpires, players, or other participants.** Disciplinary action may include, but is not limited to, verbal warning from an umpire and/or league representative, immediate ejection from the playing area, and suspension or expulsion from future games or activities. The purpose of this code of conduct is to encourage the Little League values of teamwork, sportsmanship and fair play.

Little League relies on a devoted legion of adult volunteers to help ensure that the organization remains structured and runs smoothly. We are always looking for responsible and enthusiastic individuals to support and coordinate Little League events and activities, as well as each family doing their share to make their child’s Little League experience the best it can possibly be. As a volunteer, you should have a keen interest in the safety, well-being, and overall development of children.

As a volunteer, you have the opportunity to spend quality time with your child in a safe, fun-filled environment. Oftentimes, parent and child social lives parallel each other. Volunteering allows your life and your child’s life to intersect on common ground, with shared interests and goals. You will discover that the benefits of volunteering are endless.

Please remember, Little League is not just something your child does, it’s something you do with your child.
